

put your marketing needs in experienced hands.

Founded in 2008, AcrobatAnt has the branding and marketing strategy experience you need to reach your audience more effectively. For every client, large and small, our goal is to create exceptional work, whether it's an à la carte project or a full-scale, multimedia marketing campaign.

Our agency was built on the philosophy that clients aren't merely clients—they are our partners. We are and always have been a lean organization that prides itself on being exceptionally responsive to our clients' needs. With AcrobatAnt as your marketing partner, you can be sure that all strategies, tactics and creative messaging we develop will help you achieve your marketing goals.
